INDEPENDENT AUDITORS REPORT

To the Members of
The Kerala Agro-Industries Corporation Limited

Report on the Financial Statements

We have audited the accompanying financial statements of THE KERALA AGRO-INDUSTRIES CORPORATION LIMITED, which comprise the Balance Sheet as at 31 March, 2015, the Profit and Loss Statement and Cash Flow Statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial control system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Other Matters

We draw attention of the members to the following:

a. During the year the Corporation with grouping its dormant book balances, erstwhile classified as current assets and current liabilities, that were being carried forward from earlier years aggregating to a net credit balance of ₹ 20,82,457 as stated in Note 5. We have not verified the nature of the grouping done or the effect of such grouping on the reported balance of 'Reserves and Surplus' as stated in Note 3 of the annual accounts.

b. The Corporation has not classified the suppliers of goods and services as required under the provisions of Micro, Small and Medium Enterprises Development Act, 2006 and hence we are unable to quantify and report the payments made beyond the 'appointed day' and the interest that remain unpaid to such Enterprises as on 31 March 2015.

c. The Corporation is not maintaining proper records for its tangible and intangible assets as required under the Companies Act, 2013. The available record is only a tabulation of the book value of its Properties, Plant and Equipment. The management has refrained from conducting periodical physical verification of such assets. Further, the Corporation has not complied with the mandatory Accounting Standard AS-10 'Accounting for Fixed Assets' issued by the Institute of Chartered Accountants of India.

d. The Trade Receivable as per Note 13 includes outstanding aged for more than three years ₹ 120,413,430. The Corporation has not made any provision for doubtful debts and hence the reported operating loss has been understated to that extent.

e. In the course of examination of the books of account, we have come across so many entries passed for transferring balances in various accounts of parties with whom the Corporation has had business relationship. These journal entries practically wiped off many accounts involving substantial value of the current assets and current liabilities as appeared in the books of account. Such journal entries are passed before obtaining due authority from the management and the ulterior motivation, if any, behind nullifying amounts due to or payable by the Corporation needs further scrutiny. We did not quantify the gross and net effect of these entries.

f. During the year under review, the Corporation prepared its books of account by engaging a Firm of Chartered Accountants. We observe that the same Firm has been engaged as the internal auditors for the year.

g. The Corporation has not made provisions/ disclosures for the year in respect of the mandatory accounting standards 'AS 2 - Valuation of Inventories', and 'AS 28 - Impairment of Assets' issued by the Institute of Chartered Accountants of India.

h. The Corporation has not rectified most of the material comments/ remarks on its annual accounts for the immediate past three years brought out by the Statutory Auditors.

We bring to the attention of the Members that our audit opinion is not modified in respect of the above matters.

Opinion:

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Corporation as at 31 March 2015, and its loss for the year ended on that date.

Report on Other Legal and Regulatory Requirements:

i. a. The Company is not maintaining proper records showing full particulars including quantitative details and situation of its fixed assets. iv In our opinion and according to the information and explanations given to us, there are internal control systems in place, which, when considering the size of the Company and the nature of its business, is adequate, except with regard to the fixed assets, inventory and sales. As such, based on the information and explanations given to us and to the best of our knowledge and belief, and in spite of the adverse remark/ observation made by the previous statutory auditors, we state that absence of adequate internal control in respect of fixed assets, inventory and sales is a continuing failure.

v The Company has not accepted any deposits from the public covered under Section 73 to 76 of the Act.

vi As informed to us, the Central Government has not prescribed maintenance of cost records under sub-section (1) of Section 148 of the Act.

vii a. According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is generally regular in depositing the undisputed statutory dues, as applicable with the appropriate authorities though there has been delays in a few cases. However, The KAPP, an Independent Unit of the Corporation is consistently irregular in paying the undisputed statutory dues applicable to that Unit.

b. According to the information and explanations given to us and the records of the Company examined by us there are no statutory dues which have not been deposited on account of any dispute, except a demand under the KGST Act, 1963 ₹ 8,23,55,144, which is being settled under the Amnesty Scheme proclaimed by the Government of Kerala.

THE KERALA AGRO INDUSTRIES CORPORATION LIMITED.

DELAY STATEMENT.

Reasons for delay in Finalisation and Audit of Annual Accounts for the year 2014-15.

The Annual Accounts of the Kerala Agro Industries Corporation have been in arrears for the last few years. It was because of the cumulative effect of the previous years' delay that there was accumulation of arrears in audit and accounts. The accumulation of arrears was mainly due to shortage of adequate staff having knowledge in Accounting and finalisation of Accounts. The huge volume of transactions and compilation & consolidation of accounts of 26 units were other reasons for accumulation of arrears. The Annual Accounts of previous year (2013-14) could be certified by the Auditors only on 17-07-2019 and adopted in the adjourned annual general meeting held on 24-10-2019.The Statutory Audit for the year 2014-15 commenced in February 2020. But due to the outbreak of COVID 19 pandemic lock down was declared by central government with effect from 24-03-2020 and which continued for a long time and which leads to delay in finalisation and audit of Accounts.

Thereafter partial lifting of lock down was done by central government and direction given to state governments to implement lock down, partial lock down or area wise Containment zones to prevent the spreading of Corona virus. Thus the lock down and other local area restrictions continued up to September 2020. Then office was opened but the audit firm was reluctant to send their staff and auditors to resume audit. Further the employees were unable to attend the office due to declaration of their residential area as containment zones at different times. Thus we were unable to complete the finalisation work and audit for the year 2014-15 and delay occurred due to the above mentioned reasons.

The audit firm re-started the audit by March 2021 but restrictions similar to lock down was declared in Kerala by May 2021 and which continued for more than one month due to high rate of spreading of COVID 19 and the audit work was again disturbed. Thereafter audit commenced in July 2021 and the Annual Accounts 2014-15 certified only on 20-12-2021. The Annual Accounts along with Auditor's Report were sent to Comptroller and Auditor General of India on 20-12-2021. The Comments of C&AG was received on 20-01-2022. The directors Report along with comments of C&AG was placed in the Board meeting held on 24-01-2022. The delay was unavoidable and beyond our control.

Now actions have been initiated for finalisation and audit of arrear accounts from 2015-16 onwards and which will be completed in a time bound manner.

Thiruvananthapuram,

24-01-2022.
